We refer to RBI notification dated December 14, 2012 where banks have been mandated to issue Cheque Truncation System (CTS-2010) compliant cheque books to customers. We are pleased to advise that since March 2012, HSBC India has been issuing CTS-2010 compliant cheque books to all its customers. Should you for any reason be holding a cheque book issued prior to March 2012, we request you to obtain a CTS2010 compliant cheque book at the earliest. From time to time, we seek your valuable feedback through reputed research agencies in order to understand your requirements better and to improve our services. Please do not share any personal or confidential information about yourself or your account with these agencies. Thank you for your kind participation in these surveys. The nomination facility offers you a simple process to allocate your wealth with the bank, in favour of your chosen nominee(s). You can register a nomination on each of your bank or fixed deposit accounts and/or Safe Deposit lockers in favour of the same or different nominee. You also have the option to change the nomination in future as per your preference. The process to register or change a nomination can be done by completing the relevant forms, signed by all the account holders, and submitting them at any of the HSBC India branches. The nominee can approach the bank to claim the proceeds of the nominated account or locker (on the demise of accountholder/s) in a simple and convenient manner. We have recently amended our account rules and product terms and conditions. Please visit our website http://www.hsbc.co.in/1/2/personal/personal-banking to view the detailed terms and conditions. Please note that basis Goods and Services Tax (GST) regulations and notified GST rates, Central GST, State/Union Territory GST, or Inter-State GST, as applicable, and Cess as applicable would apply on our fees and charges.
